Phil Schermerhorn is the founder and team leader.

If you need a ride to the airport, grocery store, doctors appointment or to the drugstore to pick up medication, you just have to call him at (310) 874-1912 and Phil will reach out to a team member to arrange a ride to take you where you need to go. There is no charge and they have many happy clients. Please reach out to him if you need a ride or if you know anyone his group might be able to serve in Solera.
