

## Spotlight on Pets

Hi, my name is Dexter. I am a two-year-old German shepherd / golden retriever mix. I live with Steve and Jeff (Joy's sons). We just moved from Jutland Avenue to Canter Glen. I love to chase tennis balls and all these rabbits in our yard.

If I haven't met you, I tend to bark a lot, but I am very friendly once we meet. I look forward to meeting all my new neighbors. Unfortunately, I'm mostly here during the fall/winter months. My other home is in Arlington, Virginia.

**I think the reason we are born with two hands is so we can pet two dogs at once.**

## Ask Gladys, She Knows

Dear Gladys,

I know as we age, we become more willing to express dissatisfaction with others. I am concerned we take our general unhappiness with our lives out on others. Perhaps we should have a "Don't Worry, Be Happy Day"! Everyone could smile and greet others with a big hello, and maybe wear funny clothes. What do you think?

Happy Person

Dear Happy,

You might wish to forward your suggestion to the community manager and/or Joe Holtel, chairman of lifestyle. I believe it has merit.

Dear Gladys,

I'm still a smoker. Is there any place around the CC I can light up?

Addicted

Dear Addicted,

Sorry, no. Smoking of any type, including electronic cigarettes, is not permitted in indoor areas of the common elements, in the outdoor pool areas, community center front entrance, and sports facilities. But you can smoke in your own home!
