SENIORS HELPING SENIORS

A group of residents within Solera has formed as "Seniors Helping Seniors." Phil Schermerhorn, the team leader, started the group to serve Solera residents.

If you need a ride to the airport, grocery store, doctor's appointment, or to the drugstore to pick up medication, call **Phil** at 310-874-1912. He will reach out to a team member and arrange a ride to take you where you wish to go. There is no charge and there are many happy clients.

Please reach out to Phil if you need a ride or if you know anyone his team can serve.
