## We are Neighbors Helping Neighbors

This newsletter contains information for the month of April 2024. The police reports have been reviewed daily from March 24 through April 24, 2024 in Solera. I did not see any break-ins, burglaries, or thefts reported. Thanks to you and our Block Captain reporting, we have had a good year according to my records. There is crime in the neighborhoods around us, so continue to watch out for your neighbors and report crimes to the police and your Block Captain. Is your street missing a Block Captain? If so, who will help your block? Could it be you?

## **More Safety Tips**

Summer will soon be upon us and that means water safety. Don't miss the Water Safety program presented by Clark County at the May First Tuesday program on May 6<sup>th</sup> at 5pm at the Harmon police station. If you invite grandkids over to use our pool, you could use the safety tips.

- Install a real or a dummy security camera
- Never post the exact date of your absence on social media
- Keep a guard dog or pretend you have one
- Use technology to keep an eye on things at home
- Get to know your neighbors and look out for each other

### **Reminder:**

There seems to be a misunderstanding about entry/exit gates and how they affect safety at Solera. Resident safety is in Solera's best interest and many measures were created to aid in making our community as safe as can be. Our HOA uses lighting, security cameras, gate locks, and electronic access cards that do contribute to everyone's safety... but these measures do NOT make us a secure fortress. Neither the CC&R's nor rules make this claim. There are climbable fences, people can walk in when gates are open, and there are a number of ways people can get in if they are determined to do so.

Solera has had a very low crime record over the past year. With the help of NW, we that. When someone is up to

no good, they often succeed. That's why it is up to each of us to be vigilant and do

our part to make sure our homes are secure. We help Solera when we keep our eyes and ears open when something does not look right, and report it to the police.

If your street is on the list below, you need a Block Captain, so please volunteer.

Majestic Wind,  
Wheat Penny

**REPORT SUSPICIOUS ACTIVITES TO THE POLICE AND THEN TELL YOUR BLOCK CAPTAIN ABOUT IT!**

A word about being a Block Captain: No, it doesn't take much of your time. Your main responsibility is to share safety information with your street or block. Help everyone understand their roles. Get to know your neighbors so they relate to you as the street safety leader, and find out when incidents occur on your street, then report them to Lynne via this newsletter or Phil, our NW leaders.

If you are interested in becoming a block captain, please reach out to me via this NW Newsletter at [imLynne@gmail.com](mailto:imLynne@gmail.com). We'd love to have your help.

**OUR GOAL IS TO KEEP YOU**

**INFORMED ABOUT SAFETY AND  
NEIGHBORHOOD WATCH, NOT  
ALARM YOU!**
